Frank:

As a follow up to today's meet and confer regarding the Celgene-Synthon/Alvogen settlement agreement, we write to remind you that this dispute has been pending for over a month now, which includes a three week period where Celgene refused to respond to Defendants' initial inquiry on this topic. We also remind you of Celgene's statutory obligation to reasonably cooperate in expediting this action. See 21 U.S.C. § 355(j)(5)(B)(iii). If we do not hear from you by close of business next Wednesday, June 19, 2019, on whether Celgene will be producing the Celgene-Synthon/Alvogen settlement agreement, at least Apotex will be approaching the Court thereafter for relief.

**Subject:** Celgene v. Hetero et al. (pomalidomide): Production of Synthon/Alvogen SA documents

Counsel:

We write on behalf of Defendants Apotex, Aurobindo, the Mylan Defendants, Teva, and Hetero (collectively, "Defendants"). Defendants request that Celgene immediately produce any settlement and/or licensing agreement Celgene has entered into in connection with *Celgene Corporation v. Synthon Pharmaceuticals Inc.*, C.A. Nos. 18-10775 and 19-9737 (ES)(MAH) (D.N.J.), including any agreement underlying the consent judgment referenced in, and attached to, the attached letter, as well as any non-privileged documents concerning such agreement. Defendants maintain that such documents are responsive to at least Defendants' Request for Production No. 59, and are relevant to the invalidity/unenforceability of the patents-in-suit, and to the permanent injunctive relief Celgene seeks against Defendants in this case. *See, e.g., Pfizer Inc. v. Apotex Inc.*, 731 F. Supp. 2d 754, 758-762 (N.D. Ill. 2010).

If Celgene refuses to comply with this request, please provide us with your availability to meet and confer regarding this issue as soon as possible.
